STRONGER ALIEN BARRIERS URGED

Influx Will Break Previous Records
Before July 1, Unless Checked,
Caminetti Warns

CLASHES ARE MANY

Senate Immigration Committee
Concludes Its Hearings on John-
son Bill of Limitation

Washington, Jan. 26.—The senate immigration committee concluded its hearings on the Johnson bill to practically suspend immigration for one year, today, after hearing the views of Anthony Caminetti, commissioner general of immigration.

Committee members indicated by their comments that the measure would not be reported to the senate in the form in which it was passed by the house and Chairman Colt predicted that a variety of new features probably would be incorporated in the bill.

"What the public is most apprehensive about," Senator Colt said, after conclusion of the hearings, "is the number of aliens who are coming to America. We could ally fears in this respect by fixing a maximum for the number to be admitted annually."

"Chairman Colt expressed the opinion that the number admitted would look with favor on provisions of a bill introduced by Senator Dillingham, Republican, Vermont, which would restrict immigration on a percentage system, based on the number of aliens from various countries already admitted to the United States."

Members of the committee also were said to favor certain features of the sterling bill restricting immigration and at the same time providing for appointment of a board to study immigration problems with a view to adjusting regulations as emergencies arise.

Today's sessions of the committee were marked by frequent clashes between Commissioner Caminetti and various members of the committee. The senators repeatedly attempted to ascertain whether the commissioner favored suspension of immigration, but he refused to commit himself on this point.

At one juncture, Mr. Caminetti said he thought such recommendations should come from his superior, Secretary of Labor Wilson. Later when asked for a definite statement by Senator Sterling, he declared that in the past he always had been a firm believer in the theory of "selective and restricted immigration."

Unless steps are taken to restrict admission of aliens, Mr. Caminetti asserted, the influx will break previous records before July 1. He urged congress to "strengthen the barriers" which would prevent admission of undesirable.

After Commissioner Caminetti had declared that Lenin's power in Russia was stronger than a year ago, and that Bolshevism was a greater menace than ever before, Senator Colt said immigration should not be suspended because of a fear of Bolshevism propaganda.

GOVERNOR DEFERS HIGHWAY AWARDS

Consideration of Bids Received
Yesterday Await Induction of
New Highway Commissioner

Albany, Jan. 26.—At the request of Governor Miller, State Highway Commissioner Frederick S. Greene awarded no contracts for highway construction or repair today, when bids were received. The governor's request was made, he explained, because the new commissioner, Herbert S. Sisson, will assume the duties of his office February 1, and the executive felt that Mr. Sisson ought to pass upon the bids.

According to highway department officials, 63 bids were received for the improvement and completion of 20 roads in 35 counties.

More than 100 contractors were at Commissioner Greene's office in anticipation of the award of the contracts.

"I advertised this letting upon and with the full approval of Governor Miller," Commissioner Greene told the contractors. "After I had spread a map on his desk and shown him every road to be advertised and told him the type of every road to be advertised."

ARREST PROHIBITION CLERK.
New York, Jan. 26.—Mrs. Verna Desbrie, formerly a clerk in the New York office of State Prohibition Director O'Connor, sought for alleged complicity in liquor permit withdrawal frauds, has been arrested by federal authorities in Los Angeles. It was announced tonight.

ENCOURAGE BUILDING PROBE.
New Orleans, Jan. 26.—Resolutions calling for a continuation of the nationwide probe of building material prices, started by the Lockwood committee in New York, were passed at today's session of the Associated Contractors of America.

NEW LIQUOR LAWS ADOPTED IN CANADA

Sales in Government Depots to Be
Distributed According to Popu-
lation, Limited to Single Bottles

Quebec, Jan. 26.—Plans for regulation of the liquor traffic in the province of Quebec under a commission of three men were outlined today by Premier Taschereau at a caucus of government supporters. The new regulations, he said, would become effective May 1.

Liquor will be sold at retail at government depots, one bottle at a time, the premier stated. In Montreal there will be one depot for every 50,000 inhabitants, and in Quebec one for every 40,000. Hotels of more than 100 rooms will be permitted to sell wines between 6 a. m. and 9 p. m., with provision for extension of hours when banquets are to be held. Special provisions will be made for selling liquor in mining districts.

Brewers will be authorized to sell beer to parties licensed by the commission, but must pay a tax of \$1,000 for every brewing establishment and five per cent of their sales each month.

All licensed dealers will be ordered to give a full report of liquors in stock by April 30. A bill incorporating the new regulations was introduced in the legislature this afternoon by Provisional Treasurer Mitchell.

"The government's intention," he said, "is to take over the liquor traffic completely."

COUNCIL DISCUSSES REPARATION ISSUES

Consideration of Status of Former
Russian States Also Has Atten-
tion of Paris Conference

Paris, Jan. 26.—(By The Associated Press).—The members of the allied supreme council spent most of the day in private conversations, discussing reparations. The two meetings of the council were devoted to hearing the statement of the French minister of finance, M. Doumer, on reparations and in considering the status of former Russian states.

It was decided this afternoon that Latvia and Estonia shall be reorganized as sovereign states. Action regarding Lithuania and Georgia was deferred pending further information. It is expected that Georgia's representative will be heard during the present conference of the council, but the decision with regard to Lithuania may be delayed until the result of the league of nations plebiscite in the Vilno region is known.

Reparations will again come before the council tomorrow along with the military experts' report on disarmament. The French attitude, as outlined in M. Doumer's exposition on the subject before the council, is that the allies should stand upon the treaty of Versailles so far as reparations are concerned.

M. Doumer in his report held that Germany could easily pay 12 billion gold marks on her exports. Premier Lloyd George remarked that M. Doumer's statement contained indications of very different estimates than those given so far. He recalled that the Brussels financial conference only recommended that the supreme council claim three billion gold marks in money and goods from Germany for a period of five years. M. Doumer was asked for further elucidation, and he will furnish supplementary documents.

SCHWAB SATISFIES HOUSE COMMITTEE

Charge That Steel Magnate Had
Used Federal Monies For Per-
sonal Expenses Unproven

Washington, Jan. 26.—With the approval of Chairman Walsh, members of the house committee investigating the shipping board declared in a statement today that they were "satisfied" after hearing all the evidence and examining the documents that the charge that Charles M. Schwab received money from the government for his personal expenses while serving as war-time director of the Emergency Fleet corporation "was not proven and further that it was not true."

The statement was issued by Representative Steele, Democrat, Pennsylvania, after discussion with the other members who heard the testimony in New York and Washington relative to the \$250,000 voucher. Its issuance in advance of the full report of the committee on the results of its investigation was unusual, but members explained that it had been decided to break away from long established rules on the ground of fairness to one unjustly accused.

DEFER RUSSIAN EXPEDITION.
Chicago, Jan. 26.—Headquarters of the National Socialist party announced today that a trip of six American delegates to Russia, to study conditions there, which had been set for this winter, had been postponed until late in the spring or early next summer.

MOB BURNS NEGRO.
Osceola, Ark., Jan. 26.—Henry Lowery, negro, charged with the murder of C. T. Craig, and his daughter of Nocona, Christmas day, was burned to death by a mob tonight on the Mississippi river near the Craig plantation.

FIGHT REVISION OF LABOR LAWS

Labor and Civic Organizations Op-
pose Recodification of Statutes
to Meet Governor's Views

HASTE IS DEPLORED

One-Man Commission Would Sup-
plant Present Industrial Com-
mission Under Plan

Albany, Jan. 26.—Recodification of the labor law to carry out recommendations of Governor Miller regarding the industrial commission, met with much opposition today at a hearing on the proposed bills to bring about the changes.

Among the changes would be the doing away with the present industrial commission and having a one-man commission and making many positions exempt from civil service.

Representatives of labor and civic associations opposed to the plan, termed it an attempt to undermine the very existence of civil service law. James P. Holland, president of the New York State Federation of Labor, said that his organization was opposed to any change in the industrial law at the present time. He said on the plea of economy supporters of the measure wanted to lessen the number of inspectors in the department. "Are they not willing to give the men and women workers of the state as much protection as they afford wild game," he asked, adding that there are more game wardens now than factory inspectors.

Frank J. Prall, representing the Association of Civil Service Employees, served notice that if exemption from civil service of positions were carried out, his organization would test the law in the courts.

Senator John W. Knight of Wyoming, chairman of the committee on recodification, defended the proposed measures on the ground that most of the positions to be created would be quasi judicial and could not properly be filled by competitive examination.

The New York state association protested against "the haste with which it appears that the proposal is to be pressed." Others who spoke in opposition included Mark A. Daly, legislative agent of the Associated Industries; Industrial Commissioner Henry D. Sayer, Commissioner John T. Lynch, Dr. John B. Andrews, Secretary of the American association for Labor Legislation, and Louis R. Ward, and P. T. Sherman, former industrial commissioners.

FINDS POLICE GRAFT IN MOTOR THEFTS

Former Governor Whitman, Con-
ducting New York Inquiry, Will
Present Evidence Today

New York, Jan. 26.—Evidence of alleged police graft in the recovery of stolen automobiles will be presented tomorrow to the additional grand jury, former Governor Whitman, who is conducting the inquiry into city and county departments, said tonight. He said his information warranted him in asking for an indictment, but he gave no details.

Subpoenas have been issued for garage owners as a result of alleged disclosures that many stolen automobiles, for the finding of which policemen received rewards, were left in garages by persons who did not leave names or addresses.

The first arrest in connection with the investigation or charges of graft in the street cleaning department was made today when John Murray, a driver, was held in \$1,000 bail on a charge of bribery. Murray, it was charged, requested \$1 a week to remove ashes from in front of a store.

The inquiry, begun today by Commissioner of Accounts Hirschfeld, followed complaints that drivers were exacting graft from business houses and restaurants. One restaurant man, it was said, had been paying a driver \$1 a week since 1915 to remove garbage.

THINKS PROHIBITION IN U. S. PERMANENT

Liverpool, Jan. 25.—Lord Leverhulme, one of Great Britain's largest manufacturers, told the Daily Post representative on his return from a recent visit to the United States that prohibition in America had come to stay—"of that you may be certain."

"The people are settling down under it," he continued, "and I believe that it is put to the popular vote. 75 per cent of the electorate would support its continuance. There is not the slightest chance that the law against alcoholic drinks will ever be repealed."

MILLER REFUTES TRANSIT CHARGE

So Far as Governor Is Concerned,
He Says, There Is No Politics
in Traction Problem

Albany, Jan. 26.—Governor Miller indicated today that as far as he is concerned there is no politics in the New York city transit situation. His attention was called to an address made by F. H. LaGuardia, president of the New York city board of aldermen last night, in which the transit situation was made that if the Republican party backs the governor's transit program the governor will hand the mayorality to Mayor Hyman on a silver platter in the coming election.

"I should not like to consider that subject," replied Governor Miller. "The mayorality in the coming election is not my concern. We are not considering what the consequences are. I do not care to comment on the ebullience of those who are doing that, which should not be done—playing politics."

Governor Miller said that interpretation placed on one part of his message regarding traction affairs as meaning if his plan goes through that the traction companies themselves will be authorized to fix fares without outside authorization was "erroneous." He said that of course the city would be a party to the changes contemplated.

"Does that mean that the city's consent will be necessary to increase fares?" he was asked.

"No," he answered, "the regulatory power will be vested in the transit commission." Continuing, he explained that the power to regulate would include fixing prices. "Some editors," he said, "are in ignorance of the facts. The contracts were made by the Public Service commission and approved by the board of estimate, for which I find no statutory provision."

Under a unified system, with proper control and management, the Governor said, the fare "might be less than five cents, ultimately." Except in an incidental way, however, "this is not a fare question," he said.

Asked to explain his views on the type of man he had in view for this New York city transit commission, Governor Miller replied that he had not undertaken yet to find the man, but that he would want a man of "courage" and would not care about his politics.

COAL CHEAPER THAN SAND

So Declares Ohio Operator Before Sen-
ate Committee in Opposition to
Calder Regulatory Bill

Washington, Jan. 25.—Coal is "selling cheaper than sand," C. E. Maurer, a Cleveland, Ohio, coal operator, argued today before a senate committee in opposing the Calder coal regulation bill.

"The coal industry is now back to normal—normal business in coal mining being that of selling the product below cost," Mr. Maurer said.

More railroad cars and no legislation is needed to avert possible future shortages, Mr. Maurer told the committee, adding that the high prices last year were due to "panic" fright of people who read about railroad strikes and the interstate commerce commission's priority orders on cars, and who remembered the shut-downs in 1917 and the coal strike in 1919.

VIOLATED SHERMAN ACT

Poster Advertising Company and As-
sociation Under Indictment for
Alleged Infractions.

Chicago, Jan. 26.—Indictments charging violation of the Sherman anti-trust law against 31 officials of the Poster Advertising company of Chicago and the Poster Advertising association, with central offices in New York, were returned by the federal grand jury today before Federal Judge George Carpenter.

The companies are charged with having "worked together to obtain leases on all suitable bill boards in towns in which the population was more than 2,500. The companies operated throughout the United States. It is alleged that the companies used 'unfair and unlawful methods' in excluding from these towns their competitors in the poster advertising field."

FREE ICEBOUND PLANE.
Keyport, N. J., Jan. 26.—The 14-passenger seaplane Ponce de Leon, ice locked in Raritan bay since early Monday, tonight was freed and taxied under its own power through a 500-yard channel blasted by dynamite to its berth here. Workmen had been busy since early today, dynamiting a passage for the plane, which was virtually undamaged when hauled from the water.

TRENTON FEELS SHOCK.
Trenton, N. J., Jan. 26.—A violent earth shock was felt early tonight in the vicinity of Riverside and River-ton, where many of the buildings were badly shaken. The shock lasted several seconds and caused many of the residents of that section to flee from their homes in terror.

PAL MOORE VICTOR.
New York, Jan. 26.—Pal Moore of Memphis, Tenn., outpointed Young Montford of Providence, R. I., in a 15-round bout here tonight. The victory gives Moore the right to meet Joe Lynch, heavyweight champion, in a fight for the title.

TARIFF FORCES CLASH HEAD ON

Efforts of Republican Leaders to
Put Through Fordney Bill Are
Beset With Difficulties

VETO HINT PASSED

Republicans Score Point in Forcing
Recess After Several Hours'
Verbal Scuffling in Senate

Washington, Jan. 26.—Republican and Democratic leaders met in head-on collision today when the former started a drive to put through the Fordney emergency tariff bill.

Republican suggestions of a Democratic filibuster brought on the clash. Senator Underwood of Alabama, minority leader, and other prominent Democrats denying vigorously that filibustering was in progress or contemplated. The Democratic leaders expressed willingness to vote after "proper and legitimate debate" and charged that the Republicans did not expect the bill to pass and sought to place the blame on Democratic opponents.

Democratic Leader Underwood added that the measure, even if passed, would be vetoed by President Wilson, because, he said, it was "repugnant" to Democratic tariff principles. He disclaimed having received any direct information from the President, however.

Senator Penrose of Pennsylvania, in charge of the bill, presented a proposal for a vote next Tuesday but it went down under objections from Mr. Underwood and Senator Simmons of North Carolina, ranking Democrat of the finance committee. Senator Penrose said his suggestion was made to "test the good faith of certain gentlemen," and the Democratic leader retorted that Senator Penrose's move was an effort to charge the Democrats with impeding the bill.

After hours of spirited verbal scuffling, interspersed with some actual discussion of the bill's tariff schedule, the Republicans scored a real point by forcing a recess of the senate to-night until tomorrow. Instead of adjournment which operates to keep the bill before the senate for consideration, immediately tomorrow to the exclusion of other routine business.

The move to hold the tariff measure before the senate, forcing opponents and advocates to talk or vote, followed announcement, during the day's partisan clashes, from Senator Penrose that he intended to press the bill. When unable to secure an agreement for voting next Tuesday, Senator Penrose asked for a recess from the Democrats toward securing final action by February 15.

Senator Underwood and other Democrats protested against the effort to fix a vote next Tuesday, considering the debate had begun only yesterday. Senator Penrose's proposal, Mr. Underwood declared, was "a clear indication that the majority has raised the white flag."

Senator Underwood added that he would agree to a vote after a week or ten days' discussion.

MANNING SUCCEEDS LATE BISHOP BURCH

Rector of Trinity Church, New
York City, Is Elected Bishop of
Protestant Episcopal Diocese

New York, Jan. 26.—Rev. Dr. William T. Manning, rector of Trinity church, was elected bishop of the Protestant Episcopal diocese at a convention called here today to choose a successor to the late Bishop Charles Sumner Burch. The choice was made on the third ballot.

The vote was: Dr. Manning, clerical, 123, lay, 75; Rev. Dr. Charles Shattler, rector of Grace church, New York, clerical 108, lay 54; Bishop Nathaniel S. Thomas of the Missionary diocese of Wyoming, clerical 8, lay 2; Rev. Dr. Percy Siskney Grant, rector of the church of the Ascension, clerical 1, lay 15.

On the third ballot 244 clerical votes were cast of which 123 were needed to elect and 141½ lay votes of which 71 were necessary for a choice. Following Rev. Dr. Manning's election, Rev. Ernest M. Stires of St. Thomas church, New York, moved it to be made unanimous, which was done by acclamation. Dr. Manning then was escorted to the speakers' platform by Rev. Stires and Rev. George Vandewater and introduced to the convention.

The first and second ballots failed to bring a decision. Dr. Manning, whose election was opposed by Hearst newspapers on the ground of his English birth, led from the first ballot.

NEW LOCOMOTIVE RECORD.
Roanoke, Va., Jan. 26.—Officials of the Virginia railway claimed a new record when Locomotive 711, hauled 59 loaded coal gondolas containing 9,200 tons of coal from Victoria to Norfolk unaided. The 125-mile trip was made in 9 hours and 50 minutes with four water stops. The engine consumed 40,000 gallons of water on the way.

JAPAN TO PROBE LANGDON SLAYING

American Naval Court of Inquiry
at Vladivostok Finds It "An
Unwarranted Attack"

Washington, Jan. 26.—Japan re-placed today to the American government's note regarding the killing of naval Lieutenant W. H. Langdon at Vladivostok by a Japanese sentry, with the promise of a "thorough investigation of the circumstances surrounding the incident."

At the same time the navy department was advised by Admiral Gleaves at Vladivostok, that the American naval court of inquiry there has decided that Lieutenant Langdon was the subject of an unwarranted attack by the Japanese sentry.

The Japanese government's note was said at the department not to meet the points raised by the American government in its communication and was regarded as little more than an acknowledgment of the receipt of the American note.

The findings of the court as summarized by Admiral Gleaves, was that "Langdon was blameless and that the Japanese sentry fired the first shot, and that Langdon was the subject of an unwarranted attack by the Japanese sentry."

The United States asked for a full explanation of the action of the sentry and assurances that such an incident would not again occur. It was assumed at the department that after the "thorough investigation" promised the Japanese government would send a more comprehensive reply.

MYSTERIOUS CRIME IN BELFAST HOTEL

Two Royal Irish Constabularymen
Are Slain by Murder Party
Which Escapes Safely

Belfast, Ireland, Jan. 25.—Two strangers this evening made inquiry at a hotel near the Belfast police headquarters for three guests. They went down to the bed room of the guests, two of whom were shot dead and the third severely wounded. The assassins escaped.

The victims have not been identified, but it is believed they are policemen from country stations brought into the city to give testimony before a military inquiry.

Later it was learned that the murder party consisted of five men armed with revolvers. Three of the men kept guard while the shooting was taking place.

It has been confirmed that the victims were policemen who were to be important witnesses, at the military inquiry. The wounded man is Patrick Gilmartin of Coolmarra, county Sligo. He was shot through the lungs and his condition is critical.

The farmer who was found shot dead near his home at Randon county, Cork, yesterday, was visited two days before by six men supposed to be British officers seeking information concerning Sinn Fein movements.

Pinned to the dead man's coat was a note saying he had been shot for "intending to give information to the enemy of Republican troop movements."

Thus, it is pointed out, the loyalists in the martial law areas are in a precarious position between the crown forces and the Republicans.

CRITICISES TRACTION PLANS

Mayor Hyman Declares Governor's
Proposal Can Never Be Approved
as Valid and Constitutional

New York, Jan. 26.—Taking sharp issue with Governor Miller's proposal for state control of traction in New York city, as expressed in his message to the legislature, Mayor Hyman in a statement tonight asserted the plan "can never be written into a statute which will be approved by our courts as valid and constitutional."

Creation of a "state transit board, independent of municipal control, in which shall be transferred the power and authority now possessed under the law by the board of estimate and apportionment with power to revoke solemn agreements, particularly as to a five cent fare," was characterized by the mayor as an invasion of the city's constitutional rights.

SOVIET RUSSIA TRADE OPENING

State Department, It Is Charged,
However, Virtually Maintains
Blockade Against Country

CITE CREDIT BURDEN

Collapse of Our Economic System
Might Result Despite Vast Op-
portunities, It Is Cautioned

Washington, Jan. 26.—Arguments for and against resumption of trade with Soviet Russia were received today by the senate foreign relations committee which also heard charges that the state department actually was maintaining a blockade against the country, although technically none was supposed to exist.

Spokesmen for organized workers in many lines of industry appeared to support the resolution of Senator Francis, Republican, Maryland, which would enable American firms to accept gold of the old Imperial Russian government which is being offered by the Soviet authorities in payment for foreign goods. They said resumption of trade would go a long way toward relieving the present industrial depression, which has thrown more than three million persons out of employment.

John Spargo of New York, who has written extensively on Russian conditions, expressed the opposite opinion. He declared that renewal of trade "might easily prove the means of bringing about the collapse of our entire economic system" as vast credits would have to be extended to carry on the trade.

Charges that the state department maintained an actual blockade against Soviet Russia were presented to the committee by Mrs. Harriet Stanton Blatch and Miss Lucy Brenham, of the American Women's Emergency committee. They declared that the department had prevented their organization from sending clothing and food-stuffs to needy Russian children and that ships actually loaded have been prevented from going to Russia.

Finally, they said, the committee had been forced to send its supplies to the American-French society in England for transportation to Russia.

E. C. Davidson, secretary of the International association of Machinists, said the Russians needed 15,000 locomotives and that the construction of these in this country would give employment to many railroad workers who have been laid off.

Joseph Schlossberg, representing the Amalgamated Clothing Workers of America, declared that 150,000,000 Russians were badly in need of clothing, shoes and many other things and that the supplying of these from America would cause the resumption of activity in the textile, leather and other industries.

BRYNES THREATENED REVENGE ON DREWES

Witnesses Tell of Animosity of Ac-
cused Man Toward Murdered
Dartmouth Classman

Philadelphia, Jan. 26.—Animosity of William T. Brynes toward Elmer C. Drewes, the Dartmouth senior, whom he is accused of murdering, was indicated today in the most sensational testimony thus far in Brynes' trial.

"I'll get him if it's the last thing I ever do," Peter J. S. Malloy, of Curwensville, Pa., testified that the University of Pennsylvania sophomore told him in speaking of Drewes, he declared that Brynes had asserted to him that Drewes had beaten him out of \$70 to \$100 while they were delivering maps together and that the defendant had said with anger that he would post \$500 forfeit, put on boxing gloves and meet Drewes in a prize ring.

Malloy was shown the automatic pistol with which Brynes is alleged to have been shot and which was found in the abandoned automobile, said to belong to the defendant. He declared the weapon was similar to one which Brynes offered to sell him.

Malloy was followed on the stand by his mother Mrs. Rebecca Malloy, who corroborated her son's testimony concerning Brynes' offer to fight Drewes for \$500 a side.

WOOLWORTH BUILDING AFIRE

New York, Jan. 26.—Instinctively hook and ladder firemen slanted their implements against the Woolworth building today where they had been called to put out a small blaze that attracted throngs of midday shoppers. But the ladders reached only to the fourth floor and the fire was on the forty-third. The firemen then seized axes, rushed into ascending elevators and quickly extinguished the fire, which was caused by defective wiring. Slight damage was done.

HARDING AT FORT PIERCE.
Fort Pierce, Fla., Jan. 26.—President-elect Harding, cruising down the Florida coast in the houseboat, Victoria, came ashore here to play golf and took lunch at a hotel before resuming his voyage southward.

A Stubborn Cough Loosens Right Up

This home-made remedy is a wonder for colds, coughs, croup, and whooping cough. It is simple, easy, and effective.

Here is a home-made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is simple and easy, but very prompt in action. Under its healing, soothing influence, chest soreness goes, phlegm dissolves, breathing becomes easier, and a throat sore and red throat get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, throat lumps, bronchial asthma or whooping cough.

To make this splendid cough syrup, pour 2½ ounces of Pinet, in a pint bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get a full pint—a family supply—of much better cough syrup than you could buy ready-made for three times the money. Keeps perfectly and children love its pleasant taste. Pinet is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its prompt healing effect upon the membranes.

To avoid disappointment ask your druggist for "½ ounce of Pinet" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction, or money promptly refunded. **The Pinet Co., Ft. Wayne, Ind.**

FOOTE MATERNITY HOSPITAL

Cotton Work Hose: also black, gray and brown Dress Hose; 2 pairs 25c

128 Main Street, Oneonta, N. Y.

GREENBERG'S

The Store of a Hundred Bargains

FINDS \$1,100 ON TRASH PILE

Stolen War Savings Stamps Were Hidden in Old Valise in Guthrie, Okla.

Guthrie, Okla.—Six weeks ago W. P. Davis of this city found an old valise under a house he was moving and threw it on a trash pile in the yard. It laid there until he started to haul the trash away and on close examination found \$1,100 in War Savings stamps under a false bottom. Inquiry developed the fact that the valise was once stolen from in front of a local hotel last spring and belonged to David Secko, a traveling man from Enid. The stamps were all registered in his name.

Used Bricks for Shingles.

The desire of a house owner to utilize brick in every possible manner led to the adoption of a roof constructed entirely with shingles of this material. The shingles are similar in size and shape to the ordinary variety, with the exception of the thickness, which apparently is in excess of the usual. This is due, no doubt, to the brittleness of the material and the ease with which a thin piece would break. They are made from the usual brick material and are molded to any desired form. Apart from the thickness of the shingles, the roof resembles the ordinary roof.—Popular Mechanics Magazine.

Disappearing Native Race.

Native Hawaiians are facing extinction, and if the present ratio of births and deaths is maintained the remaining life of the race will be only about 75 years. At present there are approximately 25,000 natives of pure blood on the islands, and reports for past years show their number to be rapidly decreasing.—Popular Mechanics Magazine.

Be Slender

True way to become slender, safe, healthy, in no time. See the pictures, the shadows are to give you idea of size before reduction of weight. No starving or tedious exercises. No doing with salts, etc., no laxatives, no loss of sleep. Follow the simple, easy Keweenaw system and reduce 10 to 60 pounds. (Let us tell you how to) under money-refund guarantee. Safe, reliable, recommended by physicians. Add to your capability and charm. (Make all who know you, smile) Come lighter in step, younger in appearance, attractive, gain in health, add years to your life! Take your measurements and weight often and look at yourself in mirror to know the great benefits. Don't lose any more time than now and enjoy the thrill of becoming slender. Ask for box of Keweenaw TABLETS (pronounced Keweenaw) at any drug store. Accept no substitute. Or mail \$1.00 to us for box; or write for free brochure. Keweenaw Co., P. O. 35, Station 2, New York, N. Y.

SPECIALTIES RULE MARKET FAVORITES

Maintenance of 7 Per Cent Rate For Call Money Occasions No Surprise Among Traders

New York, Jan. 26.—Specialties continued to be favored by professional traders in today's dull stock market, scoring temporary advances, while former favorites were relegated to obscurity, when not subjected to selling pressure.

United States Steel, for years the leader of the market, made virtually no response to the publication of the corporation's last quarterly report, and Chairman Gary's hopeful views, moving within fractional limits and closing at a slight loss.

Speculative interest once more centered in General Asphalt, common and preferred, these issues adding substantially to their steady advance on reports that a deal is impending for the acquisition of the company's oil properties in South America.

Among the other firm to strong issues were Mexican Petroleum, Texas Pacific Coal and Oil, Studebaker, International Paper and several of the tobacco and sugar and leather specialties, transcontinentals and colsters.

Maintenance of the seven per cent rate for call money occasioned no surprise.

The bond market was less active and more contracted than at any recent period, the irregular movement affecting Liberty issues and local traction more than any other part of the list. Old U. S. twos and fours were up one-half per cent on call.

New York Produce.

Fowlston Case Continued.

The trial of Stanley Fowlston, charged with public intoxication, which was scheduled to have been held yesterday in city court, was postponed and will not take place until February 12. The case has aroused considerable interest, Fowlston retaining Attorney George L. Boakes in his efforts to escape a sentence of 90 days in the Albany penitentiary, ordered by City Judge Frank C. Huntington. There is talk that Fowlston's attorney will have the case tried in county court, Fowlston claiming that he cannot get a fair trial in city court.

Man Ordered to Leave Town.

Jesse Oakley, 50 years old, who has been wandering about Oneonta much of the time for the past two weeks and has called at police headquarters about every other night for a place to sleep, was brought before City Judge Huntington yesterday morning on a charge of vagrancy. The Judge gave Oakley a suspended sentence and ordered him to return to Stamford, where he said he previously had worked on a farm. Oakley proceeded to "get out" at once and the police probably will not be bothered by him in the future.

Canning's Orchestra.

All engagements given prompt attention. S. Ford avenue or phone 1152-W.

Lost—On evening of fire, a lady's blue suit coat. Reward for return to Mrs. E. M. Bullock, 158 Main street.

Tras S. Sweet, practical bonesetter, at the Windsor, Oneonta, Feb. 1: Eagle.

This is what healed my skin trouble

Resinol

"Now I don't have to avoid people because of embarrassing skin trouble, or lie awake hours at night, tormented by intense itching. Resinol Ointment did it! After the first application of this soothing ointment, I felt such blessed relief. In a short time the inflammation was reduced and the itching stopped. Now my eczema is entirely gone. I used Resinol Soap as directed with it and have found Resinol Shaving Stick to be the best on the market for a clean easy shave." Resinol trio at all druggists.

SHOWS RED TO COWS

Things Then Happen, but Railway Line Is Cleared.

Bull fights are against the law in New Hampshire, but these were cows. It happened when a flock of cows with "one track minds" congregated on the Boston & Maine line between Portsmouth N. H. and York Harbor and refused to permit a train to pass. Finally a brakeman armed with a red flag assumed the role of toreador. Whirling the flag around his head, he started across the field.

With heads down and tails up they started after him. He was doing about twenty miles an hour but the herd was gaining and he was rapidly losing his taste for cow fighting.

Then he circled back of the train and caught the last car as it whirled past.

Left Loot in Cemetery.

Postal inspectors are searching for the band of mail robbers who abandoned their \$200,000 loot in checks in a graveyard at Kansas City, Mo., after stealing a mail pouch from a railroad station.

For Sale

Eighteen-foot steel motor boat and boat house at Goodyear lake; 169 gal. steel gasoline tank; several 60 gallon oil tanks with pumps; one horsepower motor, General Electric, new; two-cylinder air compressor burners; 20 gallon air tank with fixtures; quantity of shop tools and accessories; auto jack; your choice of two Grant 6 cars, roadster and five-passenger, run less than 7,000 miles; choice of two pianos, one upright and one square at \$25.00; quantity of household goods; typewriter; choice two double barreled shot guns; one-half barrel Havoline oil; 15 standard bred Black Minorca hens. Dr. J. P. Elliott.

Murle E. Moffatt will collect all bills outstanding and pay all bills against the firm. Wednesday, January 26, 1921. Murle E. Moffatt, Harold N. Briscoe.

Hygrade Brand butterine is as good as its taste and particular people say it could not taste better. 1w

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid, tongue coated, appetite poor, you have a bad taste in your mouth, a heavy coated feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. To have clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects. They start the bile and overcome constipation. Millions of boxes are sold annually. Take one or two nightly and note the pleasing results.

Ford

THE UNIVERSAL CAR

The Ford Runabout

The Ford Runabout needs no advertising. About all we have to do is to tell you we can supply the demand with something like promptness and the selling is over. We have never been able to get enough from the factory to meet the demand and do not suppose we ever will get enough. There are more than four million, five hundred thousand Ford cars in operation today, and of this number about three hundred thousand are in foreign countries, the rest right here in America, but we have one hundred and five to one hundred and ten millions of people, and it looks from the way the demand comes in that we will have to sell that many Runabouts before we can satisfy that demand.

It is one great, little utility. It fits into every man's wants, from the physician to the worker in the factory, from the country blacksmith to the millionaire railroad owner, from the contractor and his employees to the millionaire sporting man's entourage, almost as necessary these days as the handkerchief.

LOCAL MENTION.

—Rev. Dr. B. M. Johns has recovered from his recent illness and will conduct the usual prayer service at the First Methodist church this evening.

—Following the regular drill of Company G at the armory last night, a motion picture entertainment was put on by Secretary Laugel of the Y. M. C. A. The films were much enjoyed by the men.

—The Young Woman's Foreign Missionary society held their regular monthly meeting Tuesday evening in the Methodist Episcopal church parlors. There was a good attendance and several interesting topics were discussed. Light refreshments were served by the hostess and the evening was enjoyed by all.

Elks' Glee Club to Give Concerts.

The Oneonta Elks' Glee club, composed of 17 male voices, will appear at both the 7 and 9 o'clock performances at the Oneonta theatre tonight and tomorrow night, singing the old and new songs. In addition to this extra added attraction, the management has arranged an excellent photo-play program which will embrace a Pathe news reel of current events, a two-reel comedy, "A Stone-Quarry Romance," with Charles Joy and his Miami beauties, while the feature picture will be "Shore Acres," starring Alice Lake. This unusual feature is a picturization of the celebrated stage play which Jas. A. Herne wrote, produced and starred in throughout the civilized world. It is a superb picture of rural life in a sleepy New England village on the coast of Maine. The management assures its patrons of unusual entertainment in this extraordinary program.

Meetings Today.

The Social club of the Chapin Memorial church will be entertained by Mr. and Mrs. Wallace and Mrs. Thurgar at the home of the former, 70 Dietz street, this evening. All members and friends are invited.

Regular meeting of the G. I. A. to the E. of L. E. in I. O. O. F. hall, at 2:30 this afternoon.

Regular review Oneonta tent of the Maccabees tonight at 8 o'clock.

Meeting Friday.

The regular meeting of the Boosters' club will be held at the Chamber of Commerce Friday evening at 7:30 o'clock.

Insurance Claims Settled.

The insurance claim of Harry Hufford, who occupied the entire top floor of the building at 164 Main street, over the Schaeffer store, was adjusted yesterday by a representative of the Connecticut Fire Insurance company and a check for the entire claim of \$2,000 was handed over by Mrs. Marcia M. Multer, the local agent. The claim of \$900 against the same company by Henry Shore esq. for loss to contents of his office was also paid in full.

The insurance of Falls & Gardner, owners of the same building, has also been adjusted to the satisfaction of the owners.

Woman's Club.

Open house this afternoon from 3 to 6. Prof. Albert Fitzelle will be the speaker, his subject being "The Measurement of Intelligence." The club treasurer will be present to receive dues.

Do You Know

That Germany used \$50,000,000 in a lying propaganda of intrigue in Russia and that little fellows are now suffering from it? Well, I'm safely giving little fellows a fair chance and square deal and am playing the live and let live game, in helping them to make good and am now starting another big bunch on the road. It's no undue gain to me whether you tumble to what I have done and am now doing, so do as you—damn please, but remember that we all have the same air and sunshine and don't come around later, whining and growling about not having had a fair chance. Good day. I'm the safe and sane Oneonta Building and Loan association. I.

Bargain in Three Family House.

A big bargain for a home or an investment. Will be sold before Feb. 1. A three-family house, centrally located, with 70 feet frontage by 290 feet deep. All modern improvements. 333 Persons Now Oneonta Boosters

Third Campaign Luncheon Develops Lots of Pep; William Whalon, of American City Bureau, Arrives Today

At the third luncheon meeting of drive teams in the Oneonta hotel yesterday noon, 33 new memberships were added to the roster of progressive citizenship now being enrolled for themselves in the reorganized Oneonta Chamber of Commerce, making the total to date 333. Anyone who was present at yesterday's meeting of teams could have little doubt that a new spirit is being born in this city. The enthusiasm surpassed that of both previous luncheons, as the men sang and cheered themselves hoarse in praise of the Oneonta that is to be.

In the absence of Roscoe C. Briggs, Owen C. Becker, who has assumed the leadership of the teams in Col. Briggs' place, presided at the luncheon. A telegram was received from Colonel Briggs, which read as follows: "Oneonta expects every man to do his duty. If you know a fellow that has not, I will pay funeral expenses. Good luck."

Acting Colonel Becker announced that as a result of a suggestion included among those in the answers to the questionnaire submitted to the High school students, Superintendent George C. Killen, of the Southern New York railway, had stated that the company would pay \$15 as a first prize to the student making the best suggestion for the improvement of the trolley service in a way that the company might at the same time earn more money, \$5 for the second best suggestion, and \$5 as a third prize. The suggestions are to be in definite form and must reach the offices of the company by February 15.

David C. Adie, campaign director, made a stirring appeal to the teams, urging them to a final effort to carry the memberships beyond the 400 mark by today's luncheon. "Remember," said Mr. Adie, "that this is a community affair and the movement will go forward and succeed only on that basis. Every citizen has a vital interest in it and there are still many who have not yet been reached."

Mr. Adie announced that William Whalon of the American City bureau staff would arrive in time for today's luncheon and would immediately take up the work of installing the new organization. This will include, among other things, the presentation of new constitution and by-laws, election of a board of directors, appointment of committees, program of group meetings and forum and development of a definite program of work for the ensuing year. Mr. Whalon will remain with the organization at least one month, by which time it is believed the new body will be functioning in such a way that Secretary Everett Hicks can carry forward the work without any interruption in the program. D. J. Carter, who has been handling the publicity for the campaign, will leave this afternoon for similar work in a campaign which the American City bureau is to conduct in Toronto, Canada.

A typographical error appeared in yesterday's list as published, the name Philip L. Palmer & Son appearing as a new member, when it should have read Philip L. Randall & Son. It should also be noted that the Oneonta Ice company is represented in yesterday's additions by the names of the individuals composing the company.

Credit should be given to Troop No. 2 of the Boy Scouts for valuable assistance in the distribution of circular matter during the last days of the campaign. The following members of that troop having given their services: Harold Blanchard, Roland D. Hill and Elbridge Hort.

The reports handed in yesterday show the division headed by Dr. F. H. Marx still holds the lead, with a total of 55 memberships to its credit. Major C. C. Miller's division is pushing the leaders hard with 53 scalps hanging to their belts. The division with Owen C. Becker at its head has a total of 62, while Major Leslie Gardner is coming strong with 54 memberships. Captain Dorr, of the "Flying Squadron," has pushed his total to 37 and is trying hard to beat out his nearest competitor, Captain C. R. McCarthy, whose team has a total to date of 36.

Acting Colonel of Teams Becker said at the conclusion of the luncheon that, judging from the spirit now prevailing among the teams, there was no doubt but that today's reports would carry the total well beyond the original goal of 400.

Following is the list of new memberships added yesterday: American Lunch, A. Angellio, William Apthorpe, Charles J. Beams, John R. Brown, Mrs. Elizabeth Blackall, Mrs. Fred Bruce, Clark L. Bright, L. P. Burns & Son, George Canning, Mrs. A. W. Carr, Luther Cook, M. Grandall, Chicago, Fred Constable, Colectio Barber shop, O. C. DeLong, William J. Doyle, Cecil Dutcher.

Harry L. Edmunds, H. R. Emerick, Joseph Farone & Son, L. A. Ferguson, William Fiske, Francis Motor Sales company, E. L. Gates, H. B. Gilder, George, Walter M. Goldsmith, D. C. Griggs, William Hannon, E. A. Hayward, Herriett's Clothes shop, Frank M. Hill, Charles E. Hill, Emory D. House, R. F. Howland, B. M. Johns.

A. L. Kellogg, Knights of Columbus, John Lamartini, John Lappes, J. L. Leal, Frank McFee, O. C. McGlum, L. C. Millard, M. E. Moffatt, Albert H. Murdoch, W. L. Murdoch, George A. Nelson, A. E. Nye, Oneonta Battery and Tire Co., Oneonta Ice and Fuel Co., 27 Oneonta Wet Wash Laundry.

Oneonta Coal and Supply Co., Orange Crush Bottling Co.

Floyd L. Palmer, Frank R. Paschler, Mrs. M. L. Pincus, Prospect garage, The Pure Oil Co., D. W. Perrine, Roman Bros., A. E. Saxton, Lou Sherwood, G. Paul Shipper, Smaldone's orchestra, Dr. J. C. Smith, Claude V. Smith, E. A. Smith, H. M. Stanford, J. E. Taber, Mrs. Floyd E. Taylor, Van Etten Bros., A. Van Bramer, Riley J. Warren, George Waters, R. E. Weidman, Mrs. R. E. Weidman, Mrs. M. P. Weidman, West End Electric shop, W. J. Whithoft.

Why a Three-Year Membership?

In answer to a question raised by a few prospective members of the new Chamber of Commerce, regarding the pledge for a three-year membership, David C. Adie, campaign manager, said yesterday: "In the first place, every successful Chamber of Commerce abandoned some time ago the one-year plan because it proved to be inefficient, cumbersome and unsatisfactory."

"In addition to this, no community has a right to ask a busy citizen to serve on a board of directors' when there is no assurance that the plans formulated by the membership and presented to the directors can be carried out."

"If it were a one-year proposition, one of two things would happen—either the money would be spent recklessly or a large portion would be placed in a reserve fund and in either case an impoverishment of the efficiency of the organization would be the result."

"Again, although such an organization will return dividends the first year, nevertheless no permanently effective program for a city can be worked out on a one-year basis. Moreover, only a three-year income will allow of a budgeting system necessary to carry forward the work."

"It also obviates the necessity of an annual drive."

TUBERCULOSIS COMMITTEE.

To Meet at Municipal Building on Tuesday, Feb. 1, at 2 p. m.

A meeting of the directors of the Otsego County Tuberculosis committee has been called for the Municipal building in this city on Tuesday, Feb. 1, at 2 p. m. At this meeting the program and plans of the committee for the coming year will be considered and decided upon and it is desired that a full representation of the committee be present. The work of the county committee is important and it is hoped that the present year can be made the most effective in its history.

Italian-American Citizens' Dance.

Last evening the first dance of the Italian-American Citizens' club was held in Dreamland hall. The hall was decorated for the occasion with Italian and American flags. Music for the occasion was furnished by the Oneonta Jazz orchestra and the dance, which was greatly enjoyed, was a financial success.

WILL ENLARGE BUILDING

Elks Decide at Special Meeting Last Night to Build Addition in Spring.

It was unanimously decided at a largely-attended special meeting of Oneonta lodge, No. 1317, B. P. O. Elks, held last evening, to construct an addition to the rear of the present home at 99 Main street in order to provide for the numerous activities of the Elks which are now curtailed by lack of space. An unusually large number of lodgemen were present, indicating that all are interested in the improvements planned.

The board of trustees submitted the plans that had been drawn up for the needed improvements and they were thoroughly gone over by the Elks and unanimously approved.

Under these plans, a large addition will be built on the rear of the present structure, thus giving much more space for the lodge room and other activities of the Elks. It is also planned to make needed improvements to the interior of the present building and put it in the best possible shape. Some of the rooms will be redecorated and other betterments brought about.

A special building committee is to be appointed to have charge of the work and will be given authority to let the contract. It is hoped to commence work in the spring and have the changes fully completed during the summer months. Oneonta lodge now has more than 600 members and has long been inconvenienced by lack of room.

W. A. of St. James' Church Meet.

Yesterday afternoon about 15 members of the Woman's auxiliary of the St. James' church met at the home of Mrs. Charles Schumacher, 39 Walnut street. The regular business meeting was held, followed by an interesting program on China, which was in charge of Miss Jenkins of the Normal school. The afternoon was closed with light refreshments and all reported an enjoyable time.

St. James' guild will hold a food sale at the store of E. J. House on Elm street, Friday afternoon, commencing at 2 o'clock. All ladies of the church are asked to contribute. 21

Mrs. Charles Davis Dies Saturday in Schenectady—Burial in Oneonta.

The body of Mrs. Charles Davis, who died on Saturday, January 22, at her home in Schenectady, was brought to Oneonta yesterday morning, accompanied by her daughter, Mrs. Sarah Allard, of Schenectady, a son, Alfred Davis, of Detroit, Mich., and a friend, Mrs. A. J. Cahman, of Schenectady. The remains were placed in the mausoleum at the Plains and Interment next spring will be in the family plot in the Riverside cemetery.

Mrs. Davis was 67 years of age. The family removed about 20 years ago from Oneonta, where Mr. Davis was employed in the D. & H. shops and Schenectady has ever since been his home. Besides the daughter and son above named the deceased is survived by her husband and a second son, Harry Davis, of Detroit. Many older residents of this city will recall Mrs. Davis, who was a woman of fine attainments and much respected by all. Their home while in Oneonta was on West Broadway.

Funeral of Mrs. R. P. Steere.

A large company of friends and neighbors gathered yesterday afternoon at the funeral of Mrs. Rosa P. Steere, which was held at her late home, 337 Main street. Her pastor, Rev. Dr. J. C. Russell, of the First Presbyterian church, conducted the services and in a brief eulogy paid tribute to one whose whole life had been of constant service to those whom she held dear, and who was a woman of many lovable qualities.

The room was flooded with floral tributes, included among which, in addition to those from friends, were pieces from the Ladies' Aid and Missionary societies of the First Presbyterian church, the Woman's Relief corps, Order of Eastern Star of Cooperstown, the Oneonta Grocery company, and the Oneonta W. C. T. U.

Following the services at the house the body was placed in the mausoleum at the Plains cemetery for later burial in the family plot at Glenwood. The bearers were: Alva Seydell, D. A. Fletcher, W. H. Fay and H. D. Alden. Among those present at the services were Mrs. Juliette Cheney and son, Arthur, of Fry Creek; Fred Cook and Mrs. Durt Robinson of Hartwick; Mrs. B. W. Anderson and son, Ceylon, of Gilbertsville, and Mr. and Mrs. J. P. Parmelee of North Franklin.

Placed in Vault in Phoenix.

A letter received by Mrs. M. C. Hemstreet from Mrs. E. E. Ford now at Phoenix, Arizona, states that a simple funeral service for Dewitt Ford was held at the chapel in Phoenix on Wednesday of last week and the body placed in the vault in the cemetery at that place. Later Mr. and Mrs. Ford go to California, and when they return they will bring the body to Oneonta for interment in the family plot in Riverside cemetery.

The latter also states that for ten days prior to his demise he had failed rapidly, but that he was fully conscious almost to the last hour.

Carrier Service in City.

"The Motorcycle Express" is the name of a new messenger service that will be inaugurated in Oneonta commencing next Monday morning. The firm will be ready to deliver parcels, packages, suit cases, etc., to all parts of the city. The patronage of the public will be appreciated. Read the advertisement appearing elsewhere in this issue.

Pianos Tuned.

John H. Dakin from New York is now in town. Special attention given to player pianos. The best families of Oneonta among my patrons. Address or telephone Windsor hotel. 7.

COSTLY NOON-DAY BLAZE

BUILDING OWNED BY E. F. HOWLAND DESTROYED BY FIRE OF UNKNOWN CAUSE.

Old Frame Structure on Lyman Avenue, Occupied Jointly by A. S. Wright's Repair Shop and Osego Coal Company, Is Gunned by Flames—Loss Probably Will Reach \$6,000.

The large frame building, located south of the Elmore mill race, on what is known as Lyman avenue, and occupied jointly by A. Spencer Wright as an auto repair shop and the Osego Coal company as a barn, was practically entirely destroyed by fire, which broke out at about 12:45 o'clock yesterday afternoon. Three automobiles in the building were badly damaged, and feed and grain stored in the second floor was partially ruined.

The fire was discovered by L. T. Ingram, of the Elmore Milling company, who was home for lunch and noticed smoke issuing from the building, which is located back of his residence. He notified the fire department by telephone and then went to the mill and got a force of men together, who soon had a stream of water playing on the fire. In the meantime a general alarm was turned in from box 62, at the corner of Main and River streets.

The mill employees also got a horse belonging to the coal company out of the building, and did good work while the firemen were making the long run. By the time the firemen reached the place, the upper part of the building was all aflame and they devoted their efforts to preventing the fire from reaching the ground floor, where the motor cars and auto machinery were located. There were five autos in the garage at the time, and two of them were run out, but it was impossible to get at the other three. The firemen soon had two streams of water playing on the blaze and after considerable of a fight had the blaze under control.

As far as the building is concerned, it is practically a total loss and if rebuilt will require a large outlay. It is owned by E. F. Howland, who carried an insurance of \$2,500, which will only partially cover his loss. He also had what he estimates to be about \$1,000 worth of stock feed in the building, and this was badly damaged by the water and smoke, but may not be a total loss. He carried no insurance on the feed.

The Osego Coal company, which recently took over the coal business of Platt & Howland, suffered the loss of 15 tons of hay and 100 bushels of oats that were stored in the second floor of the structure and which were not covered by insurance. Other property the company had stored in the building would probably bring its loss close to the \$2,900 mark.

Mr. Wright perhaps escaped more fortunately than the rest. His Oakland touring car and the Pullman car of the coal company were run out of the barn before the flames had gained their greatest headway. He had about \$300 worth of auto tools in his repair shop which he will be able to reclaim. He carried no insurance.

Other losers in the fire were Charles Emberson, Harry Place and E. R. Drisk, all of this city, whose Overland, Mitchell and Dorr cars were badly damaged by smoke and water and the debris that fell down on them from the floor above. The total loss as a result of the fire will be about \$6,000. The fire was confined principally to the upper part of the building, but the ground floor got its share of smoke and water. The origin of the blaze, which started in the Wright machine shop is a mystery, as there was no one about the building at the time.

At about 11 o'clock last night, Mr. Howland again summoned the firemen to the barn, smouldering embers in the grain having blazed up. The two motor trucks made a quick run to the place but had little work to do, and the fire was put out without any trouble.

Pearson's Pal Has "Gone West."

John H. Pearson of 57 West street returned Tuesday from Coxsack, where he attended the funeral of William Bailey, one of his closest "pals" during the World War, who died as an indirect result of injuries sustained while in the service.

Mr. Pearson met Bailey in Washington, D. C., in 1917, and was with him almost continually from that time until he was wounded in the battle of the Marne. Bailey and Pearson were both gassed during the battle and were taken to the same hospital. After recovering they resumed their fighting side by side, until the armistice came. They also served in the army of occupation for eight months. It thus can be seen that the two young men were as close to each other as brothers, and Mr. Pearson was considerably grieved to learn of the untimely death of his pal.

Col. Withrow in Hospital.

Col. C. W. Withrow, who was in Oneonta and vicinity last December in the interest of the Constitutional League of America, has for some time been seriously ill in a New York hospital. Last week he underwent a serious surgical operation and it is understood that a second one must follow. This announcement will interest many friends in Oneonta and will also explain his failure to return immediately after the holidays to continue the work in schools and elsewhere which he had planned.

Fire, Fire, Fire.

We don't wish to scare you, but don't you think it would be wise to keep your property well insured in such reliable companies as the Hartford, Fire association, North America, Sun, or several others we represent. Cepher & Morgan, 128 Main street, Phone 555.

WOMAN'S CASE

AMAZES ONEONTA

A business man's wife could not see or read without sharp pains in her eyes. For years her eyes were red and watery. Finally she tried simple witch-hazel, camphor, hyacinth, etc., as mixed in Laxopit eye wash. The result produced by a single bottle amazed everyone. We gave her a small bottle Laxopit to help her. After a week, strained or inflamed eyes, Laxopit eye cup FREE. City Drug store, 215 Main street.

METHODIST SUNDAY SCHOOL

Elects Officers for Ensuing Year at Meeting Held Last Evening.

At a meeting of the officers and teachers of the First Methodist Sunday school, held last evening, the following officers were elected for the ensuing year:

Senior Department.

Superintendent, W. I. Bolton; assistant, A. H. Tippet; ladies' superintendent, Miss Ella M. Briggs; assistant, Miss Ella M. Bard; secretary, Harland Walker; assistant, Ernest W. Bolton; treasurer, Lewis F. Rose; organist, Mrs. T. J. Gilderleeve; pianist, Miss Lillian Cooper; chorister, Miss Annie Waters.

Primary and Junior Departments.

Superintendent, Mrs. L. E. Green; assistants, Mrs. B. M. Johns, Miss Minnie Goodrich; secretary, Mrs. C. E. Canfield; treasurer, Mrs. J. P. Harrington.

Other Officers.

Kindergarten department, Elsie Fiske and Doris Saffin; organist, Mrs. Turner.
Home department superintendent, Mrs. Charles Turner.
Cradle roll superintendent, Mrs. Charles Harp.
Committee for special occasions, Mrs. Harry Bard, chairman; Mrs. Charles Murdock, Miss Annie Waters.

Your own spotless kitchen is not more invitingly clean than the work-rooms where Junata Brand margarine is produced. And the delicious dainties prepared by your own hands are not more appetizing than this sweet, wholesome food.

TODAY SHOULD SEE \$12,000.

Fund for Feeding Children Needs Less Than \$100 to Reach It.

Yesterday's contributions to the Child Feeding Fund totalled \$125, the generous donation of the Unadilla Red Cross, forwarded by W. D. Hanford, the treasurer, of \$100 forming the large part of the day's receipts.

With the exception of two contributions they all came from outside the city. The Boys' club of the Y. M. C. A. sent in \$5, which evidences that their hearts are in the right place.

In yesterday's report the list of contributions was correct, but the total was given as \$10 more than it added, hence the total to date yesterday was \$11,757.55, \$10 less than the amount published.

The list of yesterday brings the total to \$11,915.55 or within hailing distance of \$12,000, which sum it is hoped to reach today. Who will aid? The contributors of yesterday were:

Unadilla Red Cross \$100.00
Caroline Ann Doolittle, Sidney 5.00
Mr. and Mrs. W. S. Mitchell, Delhi 5.00
Miss Mary Briggs (2nd) 5.00
Stanley Wing, West Oneonta 5.00
Mrs. Lizzie Ward, R. D. 2 5.00
H. L. Peet, Margaretville 5.00
Y. M. C. A. Boys' club 5.00
Total \$125.00
Previously reported \$11,757.55
Total to date \$11,915.55

Fine Job Printing at Herald Office.

Work guaranteed at reasonable prices. We solicit your patronage. Randall & Son, repair shops, 15, 17, 19 South Main street.

Two things of which every hostess is justly proud are her cups of rare china and the Biwa tea which she serves in them.

LADY MACCABEES BANQUET

Nearly 70 Ladies Present at Informal Affair in Kilkenny's Restaurant.

The Lady Maccabees held a largely attended meeting in their rooms last evening, and following the transaction of routine business adjourned to Kilkenny's restaurant on Broad street, where they enjoyed a delicious banquet.

Sixty-nine ladies sat down to the tables, which were placed in the cafeteria department on the first floor. Mr. Kilkenny has not yet opened this department to the public, but threw open the doors last night to accommodate the Lady Maccabees. The meal was as bountiful as it was tasty, and was served by a competent corps of waitresses that assures Mr. Kilkenny's establishment becoming popular for social occasions.

There was no speech-making following the banquet, but a jolly good time was enjoyed by the ladies and all present voted that it was one of the most enjoyable functions in the history of the Oneonta Lady Maccabees.

No worry about dessert problems in the home where Baker's Certified Flavoring extracts are used.

AT APPRAISED VALUES

This great stock has now been released by insurance adjusters and will be placed on sale beginning at 9 a.m.

FRIDAY, JANUARY 28th

This sale offers the greatest bargain opportunity ever given the people of Oneonta and vicinity to secure strictly high grade footwear at a fractional part of their real worth. Every pair of shoes is practically as good as when received from the factory, the damage having been caused by smoke and water, neither of which are injurious to leather.

Wise ones will plan to be on hand at the opening as opportunities like these are few indeed.

We list here a very few of the appraised values. Values are astounding—come prepared for bargains, you'll not be disappointed.
